

fresh ideas, valuable connections
exclusively online

When you join Vistage, you become part of a worldwide network of more than 14,000 high-level executives, each striving to achieve more. Vistage View connects this entire vibrant community, providing password-protected access to relevant problem-solving audio, video and written content. The benefits are real and exclusive: Listen to unique Vistage content on your iPod; delegate access to your direct reports and drive change through your organization; connect with other executives around the world to share ideas and expertise. Only Vistage View provides access to the shared perspective of the Vistage community, and powerful content to help you become a better leader, making better decisions and achieving better results.

"We've made Vistage View available to HR, and to our accounting people. Simply because there's very, very useful resources there; how to do things laid out in plain language, easy to understand by non-management trained people."

THE WORLD'S LEADING CHIEF EXECUTIVE ORGANIZATION

point. click. outperform.

the indispensable executive resource

There's no scarcity of information aimed straight at today's chief executive. It's everywhere, cluttering your desk, your in-box, your mailbox and your mind. But how much of it helps you run a better business? What if there was one place where you could find solid, practical information to help you achieve better results?

problem-solving insight Vistage View™ is the exclusive online library and community network focused on helping you and your business succeed, with concise, practical information on how to meet the most difficult challenges you face. You get content how you like it, in print, audio and video, and it's rated by your fellow Vistage members, so you know at a glance how valuable it is.

valuable connections When you join Vistage, you become part of a growing worldwide network of driven, forward-thinking executives. You can participate in online discussion forums on specific issues or industries; advertise your business to other members beyond your group; and get help with your most difficult issues from members around the world.

fresh thinking Every week, you'll receive links to the best new content from Vistage speakers, as well as the highest-rated articles from the Vistage library. You can even assign guest access to your direct reports, so you can more effectively drive change and promote continuous learning throughout your organization.

a growing community As the online presence of the vibrant Vistage community, Vistage View reflects the ambition, drive and determination of its members, who are some of the most accomplished people in the world. It's an exclusive community, where members connect, share their expertise, exchange perspectives and learn how to lead their companies to the next level.

amplifying the value of Vistage

Since 1957, Vistage has been helping executives become better leaders who make better decisions and achieve better results, in their businesses and lives. Vistage members have exclusive access to an indispensable resource for executives: Vistage View, the password-protected Web presence that provides practical problem-solving content, valuable connections and much, much more.

best practices library As a leader you need the best information you can get, and Vistage View provides a wealth of solid content, in the format you prefer. You get comprehensive best practice guides, thousands of how-to articles and more—all in an exclusive online environment uncluttered by advertising.

Vistage Voice Every week, Vistage members receive an e-newsletter with links to articles packed with the latest practical insights from Vistage speakers. It's timely expertise and valuable business wisdom, delivered straight to your desktop.

the Vistage Network Leverage the knowledge of the worldwide member community through the Vistage Network. Submit a query on your specific issue and quickly receive helpful feedback from your peers around the globe. It's a unique powerful perspective you can't get anywhere else.

multimedia content Podcasts, video, and print—only Vistage View is dedicated to meeting the mission-critical informational needs of chief executives. There's no theory, only practical content helping you drive better results. And as in your Vistage meeting, it happens in an environment of challenge, caring, trust and growth.

group communication tools Vistage View enables you to connect and share information with your group through online discussion forums, allowing you to gain critical input when you need it. You can also advertise your business to members beyond your group through Member Marketplace; and shop online at the Vistage Gear store.
